

Flyer Letter

Dear Sandy,

A recent article in the Wall Street Journal triggered my imagination and I immediately thought of you.

The last time we spoke you mentioned that Lake Louise outside of Banff, Canada has been on your Bucket List for some time. I remember also talking about how time is flying so quickly it is taking us by surprise. I can't stop time but I can help make your dream come true.

Here is my idea. Let's put Lake Louise on your **BTL**-- "Been There List" ---before another year passes us by. We can do it.

I am enclosing a few brochures to kick-start your planning.

Sandy, let's do it. Give me a call to discuss the specifics when you are ready. 555-555-5555.

Mike
